* For all of the books above, look for new or used. You may also find them at the library or borrow them from a friend. Contact me if you have problems.

You are responsible for reading and understanding the works listed above. Be sure you take an appropriately long time to read the books so that you come to understand the books and so that you complete the book just a few days before the new school year begins. **You should expect an exam/activity on your assigned summer readings during the first couple of school days.** Please be sure to get an edition of the book that has the indicated ISBN numbers. In this way, your teacher can make reference to page numbers that all students can use. Also, check your teachers' E-chalk webpage for updates.
